Thanks, Brendan. For the avoidance of doubt, the request was to add 14 days to Charter's reply period (for a total of 24 days after comments are filed), just as 14 days is being added to the 20-day period for comments and oppositions.

Subject: Assented to Motions for Extension of Time

Steve,

I am writing to request that the Commission grant a 14-day extension, to October 25, 2018, of the deadline for filing comments and oppositions to Charter Communications, Inc.'s petition for determination of effective competition in MB Docket No. 18-283. I am also requesting on Charter's behalf that the Commission grant an equivalent 14-day extension of the deadline for Charter to file replies to comments and oppositions filed pursuant to the requested extension. The Massachusetts Department of Telecommunications and Cable and Charter have agreed to these requested extensions. I have copied Charter representatives on this email. Please let me know if you have any questions.

Thank you,
Sean
